***SBL-Kandidaat / SGB Candidate: Chantel Arendse***

**Huidige werksomgewing / Current work environment**

I am currently unemployed.

**Vorige ondervinding as lid van 'n SBL of ander bestuursliggaam**  
**Prior experience as member of SGB or other governing body**

I have about 3 years' experience of being the secretary of the School Governing Body at Parow Valley Primary School (2014 – 2016).

**Doelwitte vir die 3 jaar as lid van die SBL**  
**Goals for the next 3 years as member of the SGB**

As a member of the School Governing Body, I wish to bring transparency to all processes. To assist educators and principal to allow all learners to have the best high school career and to put the children's interest and learning first. Also bearing in mind that no learner is the same, everyone comes from a different and sometimes challenging background.

I wish to promote equal education to all learners and to install in them a positivity that they can all achieve their goals by perseverance and dedication.

## **Kort CV / Short CV**

My name is Chantel Tania Arendse (Leonard). I have a great passion for the development of our children into becoming better beings, and see them reach their goals and dreams is of utmost importance to me. I have one daughter, Emily Catherine Arendse, Grade 10E4. She makes me proud everyday she reaches out for those goals she has set for herself.

I am married, to David Leonard (also employed by the WCED), who also has a great passion in the development and interests and goals of all learners.

I live in the Parow Valley area. I have also worked for the Department of Education, since 2001. I have recently resigned for personal reasons. But looking to go back soon.

## **Watter portefeulje sou u graag op die SBL wou vul en waarom?** **Which portfolio on the SGB would you prefer and why?**

Any portfolio would be sufficient, as all portfolios are of equal importance, big or small. As I do have a strong administration and knowledge of the education system, secretary of the SGB would also be preferred, but as I said, wherever assistance is needed.

## **Enige boodskap aan die kiesers?** **Any message to the voters?**

To those parents who voted me to be part of the SGB, you will not be disappointed, your child is my child. We all strive for a better education and a better life for all our little ones. I will try my utmost best to view your concerns at the same time, keeping the interests of our interest children as most important. Thank you for your trust, I will do everything in my power to uphold that trust and do everything for the well-being of all our children. Let's keep trying to build a better future for all our children.
